(\*) Beginning October 1, 2016 and on each October 1 thereafter, fire rescue fees (excluding section B and G herein) shall be adjusted to reflect the cost of doing business, measured by fluctuation in the Consumer Price index (CPI) (All Urban Consumers, Miami, Fort Lauderdale, Florida) as published by the U.S. Department of Labor, Bureau of Labor, Statistics or its successor agency based on there percentage change in the CPI from the previous June to June of the year in which the adjustment is affected. The rate schedule shall be adjusted annually unless otherwise amended by an action of the City Commission. It shall not be necessary to amend this article or any part thereof by ordinance or resolution, nor to cause publication or conduct a public hearing prior to the annual adjustment of the rate schedule pursuant to this subscription. The annual adjustment for fire fees as authorized above shall be kept on the file in the City Clerk's office.

#### Wastewater Fees - Wastewater Reclamation Facility a. The City of Miramar shall base permit fees on flow to the WWRF, except in the case of categorical users. The fee schedule is based on permits of one-year duration. Fees for extended or multi-year permits will be adjusted accordingly. The fee schedule is as follows: ≤ 5,000 gpd 150.00 5,001 gpd ≤x≤ 25,000 gpd 500.00 ≥ 25,000 gpd 2,000.00 Categorical Users 2,000.00 b. There will be a one-time administrative fee for new permittees to establish compliance 500.00 histories. c. The permittee shall be solely responsible for renewing its permit in a timely manner. Failure on the part of the City to send renewal notices in no way relieves the permittee of its responsibility to renew. Permit renewal fee for one year permits 75.00 d. All permits expire at midnight on the date listed on the cover page. Expired permits will not be renewed. Industrial Users whose permits lapse will be treated as new permittees, subject to administrative fee in order to re-apply. Administrative Fee 500.00 Any laboratory analytical fees necessary to administer a permit will be assessed to each permittee on a cost-of-analysis basis. e. The City of Miramar may agree to receive and treat wastes from industrial users which may contain non-toxic constituents with concentrations in excess of those concentrations set forth as domestic, as specified in Section 21-1.02 (c) of the City of Miramar Sewer Use Ordinance. These constituents are Biological Oxygen Demand (BOD), Total Suspended Solids (TSS), Total Phosphorus (TP), and Oil and Grease (O&G). Automatic annual rate adjustment. The city will institute annually, effective with bills rendered on and after October 1, 2008, and each year thereafter an automatic increase to the monthly service availability charges and volumetric rates as contained in section 21-223(b), to be applied to such rates which are in effect immediately prior to the effective date of each annual increase. The annual index adjustment shall be one (1) percent, to the monthly service availability charges and volumetric rates for the eastern service area. With respect to the wastewater treatment service from the City of Hollywood and others, on behalf of the eastern city area, any increase or decrease in the cost of such purchases to the city shall result in an automatic adjustment to such applicable rates as identified in section 21-223(b), and shall be a pass-through to the consumer equal to the dollar amount of such increase or decrease in such costs as billed by the City of Hollywood or others as determined by the city. All other adjustments in excess of those identified above will be changed by a resolution as adopted by the City Commission.
