Revision Cover Sheet

This sheet shall be completed and submitted in conjunction with any of the following: Trusses, letters, and any changes of the original approved set of plans. **Per approved Fees Section 22-27.2 City of Miramar Code of Ordinances, fees are to be collected for Plan Review with minimum \$100.00 Plus 8% Surcharge Per Discipline. For addendum or additional work exceeding 25% of the original approved Scope of Work, the Building Official may charge additional fees based on the Plans Review Fees Schedule.**

FBC 107.4 Amended construction documents. Work shall be installed in accordance with the approved construction documents and any changes made during construction that are not in compliance with the approved construction documents shall be resubmitted to the Building Official for approval as an amended set of construction documents.

Disclaimer: The Review Process for the submitted and revised permitting documents is solely based on the requirements of the Florida Building Code. It's the entire responsibility of contractor/permit holder to notify the owner of the property about the changes of products and/or materials which are intended to be used in the construction/installation process.
